

## Whidbey Veterans Resource Center

*Connect, Educate, and Serve Veterans, their Families, and Communities*

Dec 10, 2025

Dear Members of the South Whidbey Yacht Club,

As we close out 2025, I want to extend our deepest gratitude for your extraordinary partnership and generosity throughout the year. Your selection of the Whidbey Veterans Resource Center as your 2025 charity partner—and the dedication you brought to each of your fundraising efforts—has made a meaningful and lasting impact on the lives of veterans here on Whidbey Island.

Through your events and initiatives, you raised over **\$2,300** in support of our mission. These funds directly strengthened our van transportation program, counseling services, referrals, and support groups. Because of your commitment, local veterans had access to critical resources, safe transportation to appointments, and a supportive community during times when they needed it most.

Your club has demonstrated what community leadership truly looks like. We are honored not only by your financial support but also by the care and recognition you have shown to our veterans and their families.

On behalf of the Whidbey Veterans Resource Center team and the veterans we serve, thank you for standing with us this year. We look forward to continued connection and shared service to the community in the years ahead.

With deep appreciation,
